

Welcome to the Russian Blue breed seminar in Helsinki!

Russian Blue Association of Finland is celebrating its 20 year anniversary in 2012. Among the festivities of the year we are arranging a breed seminar in Helsinki on January 21st 2012.

Russian Blue breed seminar focuses on the Russian Blue cat breed, its breeding, goals and challenges, its role in FIFe today and in the future. Nordic and European co-operation is future. The world has become smaller in every way, and cat fancy is no exception. What are the biggest challenges for the future of the breed, and how breeders, judges and enthusiasts of the breed are prepared to respond to these challenges? Health issues highlight the importance of the breed in the cat hobby, and the Russian Blue breeding not only in Finland and the Nordic countries but also worldwide will face challenges due to a narrow gene pool of the breed. Our seminar day is directed not only to the breeders and judges, but also to those whom the Russian Blue is a beloved pet and the beauty of the home.

The seminar is open to anyone interested in Russian Blue breed. Breeders, judges, RUS owners, you all are most welcome! A get-together dinner will be held in the evening with good food and company.

More information, please take a look at www.suomenvenajansiniset/fi & Suomen Venäjänsiniset ry at www.facebook.com/.

The seminar fee: 12 € members and 17 € non-members (incl. coffee in the morning and lunch with coffee), due date 14th January 2012. BIC/SWIT: NDEAFIHH (Nordea Bank, Helsinki)
IBAN: FI89 1262 3000 5188 57
